## About

I'm a freelance motion designer from Minneapolis, Minnesota. I formerly worked at a digital sports marketing firm where I learned the ropes of the motion design industry.

I'm passionate about continuing to learn and grow, always evolving and sharpening my skills. I believe that the combination of diligence, skill and focus will create amazing and unique results time and time again.

## Education

B.F.A., Graphic Design

## Software

Cinema 4D, After Effects, Premier Pro, Photoshop, Illustrator, InDesign, Final Cut, Mocha, Trapcode Particular, HTML, CSS
